Pakistan

Full-Stack Dev | React Native | UI Designer

**\$140.00 USD**

in 7 days

Hello, I'm Sharjeel Ahmad Khan, a full-stack developer with strong experience in building responsive, elegant web applications in React, Node.js, and Laravel, with full RTL (Arabic) support. I understand your vision for "بطاقة" and I can deliver a fully functional, clean, and scalable platform that allows users to personalize greeting/invitation cards, preview... [more](#)
